On Jubilee street, there was a girl named Bee

She had a history, but she's got no past

Bass steigt langsam ein

When they shut her down, the Russians moved in

Now I'm too scared

I'm too scared to even walk on past

She used to say, all those good people down on Jubilee street

They ought to practice what they preach on Jubilee street

Schlagzeug steigt ein

But here I come, I'm pushing my wheel of love

I got love in my tummy and a tiny little pain

And a ten ton catastrophe on a 60 pound chain

And I'm pushing my wheel of love up Jubilee streets

Streicher, vllt. E-Bow oder Keyboard?

Well, look at me now

Look at me now

1x Riff, dann 2x mit Piano / Tambourine

Geschwindigkeit zieht etwas an! Akustikgitarre steigt ein mit Akkorden

The problem was, she had a little black book

And my name, it was written on every page

Yo, well, a girl's gotta make ends meet

Especially down on Jubilee street

Streicher mit Keyboard?

I was out of place and time

I was out of my fuckin' mind on Jubilee street

These days, I go downtown in my tie and tails

I got a fetus, with a leash

I am alone now

I am beyond recriminations

The furniture is gone, the curtains are shorten

Geschwindigkeit und Intensität nimmt zu

Well, I am transforming I'mvibrating

I am a glowing

I am a flying

Well, I'm transforming and vibrating

Well, look at me now

chorus

Yeah, I am flying and vibrating

Well, look at me now

Yeah, I am transforming and vibrating

Well, look at me –

Jetzt langsam richtig Stoff geben!!!

Yeah, I am transforming and vibrating

Well, look at me now

Say, I am flying and vibrating

Well, look at me now

Yeah, I am transforming and vibrating

Well, look at me now

Yeah, I am transforming and vibrating
Well, look at me now
